

Buzzy Bees 1 & 2
May 2024 Newsletter

Dear Parents,

The flower seeds we planted in March are growing strong! The children look forward to our garden days to see the change in growth and to tend to our garden. Shortly after planting our seeds I created a simple song with the children to celebrate our planting; it is called "Grow Little Seed," which we sing regularly. When I thought about what seeds need to grow; love, sunshine, water, & air, I realized these are also things we need to thrive and grow...and move on to Kindergarten. Each one of our children is metaphorically a seed, and the teachers here at Nazareth are tending them and their growth in our garden (school)...and we could not do it without the support of our awesome parents!

This month we will be finishing up learning about Poland and begin Mexico! Our themes are May Crowning, Mother's Day, the Zoo, Space, & the Ocean. Our letters of study are V, W, X, & Y. In Math we will be learning about 1 to 1 correspondence, classifying/sorting, & measuring. The month of May will be busy for your children as we wrap up the school year.

Parents, please see our weekly snack sign-in sheet if you are able to contribute. Thank you to our regular contributors, it is greatly appreciated.

Kindness Gotchas for the month of April: Thank you Darian, Juliana, & Felicity for always coming to school with a positive attitude! Thank you friends!

Blessings,

Ms. Fitts

Important Dates to Remember:
